# 02 Nature's Power Packed in Every Scoop

Goras Vruddhi Isn't Just Any Cattle Feed Supplement—It's A Powerful Blend Of 20 Rare Medicinal Plants, Each Chosen For Its Unique Ability To Enhance The Health And Vitality Of Cows And Buffaloes.

Our Formula Is Crafted To Improve Milk Yield, Strengthen Immunity, And Bring Out The Best In Your Herd, Naturally And Safely.

## Why Farmers Trust Goras Vruddhi?

- Natural & Safe: No harmful chemicals, just the pure power of nature.
- Milk Boosting: Increase milk production by up to 20%.
- Immunity-Enhancing: Keeps your herd healthy and strong.
- Cost-Effective: Get more milk for less, improving your bottom line

# 03 A Powerful Blend of Rare and Proven Ingredients

At The Heart Of Goras Vruddhi Are Nature's Most Powerful Plants, Each With A Specific Role In Nurturing Your Cattle:

## शतावरी

The base of our formula, it balances hormones and boosts milk production.

## अश्वगंधा

Known for its strength-giving properties, it helps your cattle gain healthy weight and strengthens their bones

## जिवंती

Helps with milk circulation and enhances gland growth, ensuring a steady flow of high-quality milk

## गोखरु

Tackles urinary problems and skin issues, improving your cattle's overall health

## गुळवेल

A natural immunity booster, it shields your animals from common diseases.

## मेथी

Known to increase milk fat, giving you richer, creamier milk

## आवळा, हिरडा, बहेड़ा, बडीसोप

These herbs improve digestion, making sure your cattle get the most out of every meal

## पाषाणभेद

Removes harmful stones and soil from the stomach, ensuring smooth digestion

# 04 More Milk, Healthier Herd – It's All Possible with Goras Vruddhi

Farmers Across The Country Are Experiencing The Transformative Power Of Goras Vruddhi

## Boosted Immunity

Strengthen your livestock's immune system, leading to a reduction in diseases and lower veterinary expenses. Healthier animals contribute to higher productivity.

## Reduced Dry Period

Minimize dry periods to guarantee steady and reliable milk production, providing you with consistent income throughout the year.

## Reproductive Health

Ensure timely heat cycles and improved fertility for your livestock, resulting in more calves and continuous milk production, vital for sustaining your dairy business.

## Better Digestion

Enhance your cattle's digestion, reduce bloating, and lower feed costs. Goras Vruddhi promotes healthier and more efficient livestock, ensuring optimal nutrient absorption.

## Milk Yield Increase

Experience a remarkable 15-20% increase in milk production from each cow or buffalo, maximizing your daily output and boosting your profits.

## Want Even More?

A Year's Use Of **Goras Vruddhi** Can Make Your Herd Anti-Oxidant Rich, Helping Them Resist Diseases And **Stay Healthier For Longer.**

# 05 How Goras Vruddhi is Changing the Lives of Farmers Content

Goras Vruddhi is already making a difference in farms across India. Here are just a few success stories

## Reduced Feed Costs

Save money on cattle feed with Goras Vruddhi. Its unique formula helps you maximize the nutrition your livestock receive, reducing overall feed consumption while improving results.

## No Need for Mixers During Heat

With Goras Vruddhi, there's no need for additional equipment like mixers during the heat period. This not only simplifies the process but also reduces your operational costs.

## No Injections Required

Forget about costly and stressful hormonal injections. Goras Vruddhi naturally supports the reproductive cycle of your animals, bringing them into heat without artificial interventions.

 **Rajesh Patil,**  
Kolhapur

“Since using Goras Vruddhi, my cows give more milk, and the fat content is higher. I'm getting better prices for my milk, and my herd is healthier than ever.”

 **Ashish Deshmukh,**  
Sangli

“I was facing constant issues with breeding. After starting Goras Vruddhi, my cows are healthier, and I've had successful conceptions with no miscarriages.”

 **Suresh Gaikwad,**  
Pune

“My buffaloes were always falling sick, and I was losing money. Goras Vruddhi has transformed their health, and milk production has gone up by 18%”

# 06 Simple to Use, Easy to Love
